

Snowman Directions #18A

Josie Randall

1. Put in a dark navy blue number 000033 back ground.
2. Do a circle 9 centimeters long and 5 ½ tall. Make it a white cream color #ffffcc.
3. Make another circle 4 centimeters long and 4 ½ centimeters tall. Make it the same color.
4. Make another circle the same color 2 ½ centimeters long and 3 ½ centimeters tall.
5. Put these circles together vertical in the middle of the page, overlapping each other a little bit.
6. You need to make two ovals 4 centimeters long and 1 centimeter tall. They will be the same color that the circles are.
7. Put these ovals sticking out from the middle of the second circle.
8. Do another oval 5 ½ centimeters long and ½ centimeter tall. This oval will be a brown #330000.
9. You need to put this oval on top of the first circle over lapping the head a little bit.
10. Make a square 2 ½ centimeters long and 2 centimeters tall keeping it color #330000.
11. Put this square on top of the brown oval in the center.
12. Get a full colored flower stamp keep it the same size in a pink #ff3366.
13. Put one flower where the oval and square meets and one on the top in the middle of the second oval. Put one more in the middle of the intersection of the second and third circle. Put the last one in the middle of the third circle.
14. Get a pepper in a dark orange #ff0000. Put this pepper on the first circle in the on the right. Twist this pepper until the point of the pepper is straight. Then put the pepper on the left so that only the stem it touching the snowman.
15. Get sun glasses in blue #3333ff. Put the sunglasses in the middle of the first circle.
16. Make a rectangle 1 ½ centimeters long and ½ centimeter tall. Put the square in the bottom middle of the first circle.
17. In stamps get a present in a light blue #00ffff. Put this present on the right hand overlapping a little bit.

Then you finished and you will get a wonderful snowman.
